**Notes:**

1. We are trying to have at least two servers at every Mass. If you are at Mass and you see there are less than 2 servers, please feel free to set up and serve, even if the Mass has already started. There is no limit on the number of servers at Mass, the more the better.
2. If you are at the LifeTeen Mass, please feel free to serve. Once again, there is no limit on the number of altar servers at Mass.
3. A list of the other altar servers is attached, if you have a conflict, please try and find a substitute.
